Objet: Thank you

Dear Evelyne and team,

Just a little note to thank you most sincerely for the professionalism you showed during our two-day meeting. Everything ran so smoothly, the temperature in the meeting rooms was perfect, the food and food-service was great, and whatever request we had was dealt with immediately, and with a smile.

I will certainly recommend you to my colleagues for any future meeting, and I hope to have the pleasure to work with you again myself.

Kind regards, and thanks again.
Anne
